**Please note, some previous months stats have been revised, in light of our annual monitoring audit.**

### Short Stay Summary:

- **The number of people staying with Emergency Hosts decreased** – from 12 in February to 10 in March.
- **We are still accommodating more women than men** (6 women, 4 men)
- **The overall number of nights provided by Hosts increased slightly** – from 71 to 82 nights. We continue to try and get people with long-term accommodation needs into longer stay provision as soon as we can (see below)
- **We were unable to find accommodation twice this month.**
- **Only one client did not turn up to accommodation that had been arranged for them**
- **The number of times we found accommodation for someone who did not want it increased.**
- **The number of Active Hosts remained steady in the early 20s.**
